Wa have no healtation in pronouncing the light as the most concentical and simple, buildes the onfeet and bott in avery respect we have ever a co.

Your obedient servants.

W. H. KEENE & CO. W. H. SETTLE, Faq.—Dear Sir. I take pleasure in sint. at that I have thoroughly tested the Vesper Light with it burners, purchased from you, and that it has exceeded V expectations, not only as to brilliance, but the caim who which is omanaged. It is managed by a cervant girl am satisfied that it is far superior to anything I have even on of the kind. JNU. EUDMAN.

Pasa Six: I have had the Voper Gas Fixtures in con-nature, both in my private residence and my uffice, for p lact four months, with the most misdactors, sails. The light is very britishes, suite conomic il, and sully managed by my correction. H. I. TODD.
